

January 2010

Residents of Actinolite, Marlbank, Queensborough, Stoco, Sulphide, Thomasburg, Tweed and Surrounding Areas

You dreamed and shared your ideas for the Municipality of Tweed's Future. As a result, we now have a draft document:

'A New Direction: Our Citizens' Vision for an Integrated Community Sustainability Plan'

The Community Development Committee thanks everyone who participated. Your response has been exceptional. Over 1,300 individual ideas were offered, and have been synthesized into 31 Cultural Actions, 27 Economic Actions, 25 Environment Actions and 40 Social Actions – 123 proposed Actions in all.

The journey continues. Once again we call upon YOUR assistance to review what YOU have told us, get input about priorities and talk about implementation. Copies of the draft Plan are available on-line, from the Municipal Office, or at other locations within the Municipality. Please pick up and review a copy, and attend one of several community meetings. Local service clubs and organizations will be invited to a workshop planned for Saturday February 27.
